

Hibiscus limeade
with Cerebelle™

Hibiscus limeade with Cerebelle™

QUENCH YOUR MIND AND OUTSMART BRAIN AGING WITH CEREBELLE™

REASONS TO BELIEVE

- Today, 26 % of supplement users take a supplement for mental/brain health
- The brain runs the show. Mood, focus, creativity, and confidence are all brain phenomena and consumers want life-optimizing tools to promote their wellness journey
- Cognitive health products have a bright future, with a sizable aging population looking to stave off and prevent mental decline; and a young demographic seeking to boost its cognitive ability, alertness and attention

COMPOSITION

Water, sugar, lime juice powder, Hibiscus extract powder Cerebelle™, lemonade, citric acid

KEY PRODUCT BENEFITS

- Cerebelle™ is a unique blend of polyphenols from wild blueberries and grapes; fully traceable ingredients from North America and Europe; non-GMO and food grade
- Cerebelle™ efficacy in cognitive function is supported by multiple clinical trials, which have shown enhancement of synaptic plasticity and a reduction of neuro-inflammation
- Supplementation with Cerebelle™ for a 6 month period, demonstrated significant improvement in verbal recognition memory (VRM) and paired associated learning (PAL).
