Organic non-dairy drink

REASONS TO BELIEVE

- Research shows that Europe is leading the way in terms of organic food and drink innovation, as nearly a fifth of all food and drink products launched carry an organic claim. In the last decade, the number of launches shot up from 9% to 17%.
- Consumers, particularly younger generations feel increasingly concerned by the planet. Traceability, ethics and environmental impacts are influencing purchasing decisions.

COMPOSITION

RD00720035 – 100% Organic strawberry powder – 0.60%
618889 – Natural strawberry flavouring – 0.18%
